Brick & Mortar[®] Cleaner

LIMITED WARRANTY

Our recommendations for use of this product are based upon tests believed to be reliable. Since field conditions vary widely, the user must determine the suitability of the product for the particular use and specific method(s) of application. Due to the fact that SaverSystems has no control over surface preparation and application methods, no guarantee as to results is offered, expressed or implied. SaverSystems warrants this product to be free from defects. SaverSystems' liability shall be limited in all events to supplying enough product to re-treat the specific areas to which defective product has been applied.

This warranty does not include labor or cost of labor for application. SaverSystems shall not have any other liability including direct, incidental, or consequential damages. Some states do not allow the exclusion of incidental or consequential damages so this limitation or exclusion may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

Brick & Mortar Cleaner[™]

Removes Unsightly Stains From Masonry

Remove Unsightly Stains With Brick & Mortar Cleaner

Brick & Mortar Cleaner safely removes most stains from masonry including: rust, efflorescence, mortar splatter, algae, mold, mildew and more. When used as directed, Brick & Mortar Cleaner will not blacken, streak, or damage metals such as aluminum used for chimney flashings.

It's a safer alternative to Muriatic Acid. The patented chemistry virtually eliminates the dangerous, toxic fumes and potential acid burns normally associated with Muriatic Acid based products; making it much safer for you and surrounding areas.

Safely Removes Stains From Masonry

- Rust
- Efflorescence
- Mortar Splatter
- Mildew
- Algae
- Smoke Stains

Brick & Mortar Cleaner is a breakthrough in cleaning masonry!

Brick & Mortar Cleaner is a proprietary formulation of special acids and cleaners which effectively removes most masonry stains.

And To Protect Your Masonry...

*To protect your chimney and masonry use **ChimneySaver Water Repellent**. Proven effective in both laboratory tests and over 20 years of use by chimney professionals everywhere.*
